

TRANSFER COSTS 2017

The Amalfi Experience work with a professional team of private drivers offering a 5 star service to clients.

Important notes on transfer bookings;

- Transfer payments are cash payments to the driver

SURCHARGES

- Out of hour transfers (between 10.00pm to 6:00am) will incur surcharges of approx. €20.00 to €30.00 depending on the time of the pickup
- For group bookings, when there is more than one pick up/drop off point a surcharge may be charged (this will depend on the locations)

CAR POOLING

- In the case of having people arrive on flights within an hours' time difference (& no longer), we are able to car pool these guests together to minimize the cost per person for the transfer, if they are interested in doing so. This will obviously mean the first flight to arrive will wait for the second flight and the meeting point will be at the arrival gate of the second flight, which is where the driver will be also waiting for the group.
- In the case of flight delays please note that the transfer will leave as scheduled and confirmed with the guests that have arrived. The people that have been delayed and therefore miss their 'car pooling' transfer can contact The Amalfi Experience (via phone call) to book a new transfer if they wish. For the guests that leave in the car pooling transfer please note that you will need to recalculate the cost per person as the cost of the vehicle is being divided by less people.

DELAYS & CANCELLATION

- In the case of any flight/train delays it is essential that you make direct contact with one of the team members at The Amalfi Experience. Please do not rely on email or text messaging as we cannot guarantee these will be received or seen by our staff. We therefore ask for a direct phone call to be made to the numbers below so we can then inform the driver and update them on your travel details.
- Any cancellations or changes made within 24 hours of the pick-up time will be subject to penalties. The driver reserves the right to fix the fee.
